the vacancles in the senute.

Heters—All the vitality was drawn out of the proceedings in the Journ Wednesday by a weary thece-hour fillius er, inaugurated by Mr. Morse, of Massachuselle, because the house relused to tilter him to print in the Congressional Record some editorial comments as tacking formulasioner of Pensions Lockren. It was 3:30 p, m when the leteral election dehato was resumed. Only two aspecties were delivered Wednesday, tue by Mr. Lawson, of Georgia, and the other by Mr. Lawson, of Georgia, and the other by Mr. Daniels, of New Vork, lioth were confined largely to the rossituitional phases of the question and crented neither exeitement for particular interest.

Washinution, Sept. 29—Senays—Mr. Teiler General Werchandise,

eltement for particular interest.

Washinitor, Sept. 29—Sanaya—Mr. Teller accessed in having adopted the resolution calling upon the accrutary of the treasury for information as to the antionation of interest on government bonds during the last thirteen years. The resolution was not adopted, however, until Mr. Pedre had made one of his attring harangues, in the course of which he arterely criticised the rejublican senators who were supporting the administration, and whose conduct in repressing resolutions of inquiry he declared would be disapproved by the country. The set speech upon the repeal bill of Thursday was made by Senator Pedic, of Kansas.

House—The scene of the excitement which lyters Print for Country Product

HOUSE—The scene of the excitement which marked the proceedings of the senate Wednesday were transferred for a brief period to the house Thursday. The pent up feeling between opposing members of coagress grows more intense daily at both ends of the 'capitol, but in the house Thursday the life was actually each anged. The reast of the day was devoted to debate on the bill to repeal the statutes for the protection of the purity of the ballot.

WASHINGTON, Sont. 10—SENATE—Renewed.

Washington, Sept. 10 -Senale-Ronewed talk of compromise between the triends of all twee and the alworates of uncouditional rejent twee days, me durlint. ver and the advocates of unconditional reject filled the air in the senate Friday. This was, in part, caused by the letter signed by Wharion Burker, oil Philadelphia, and many business drins of that ally, advocating a compromise which would involve a recognition of aliver as money and also the rescue of the protectivn tariff from the assault of the free trade members of the wajs and measa committee in the honse. This jetter was presented by Senator Cameron, of Pransylvania, and at his request it was ordered printed as a public document.

HOUSE-No business of importance trans-

acted in the house Friendy. Henry W Biair, of, New Hampshire, whose speeches in the menate on the Biair educational bill challeged Stew-art's speeche on the money que ation for length, is now a member of the house. He spoke Fri-day afternoon against the repeal of the ledaral election has s. WASHINGTON, Oct. 2-Senate-Saturday in

rdinary session and the fifth week of debate on ore reviewed a whole bothe all transitions of an account of the state nling restained it as an excellent nerve

WASHINGTON, Oct. 3 - STRATE - Monday in the day. By means of a personal statement, Mr. Pubols, of lombo, govern the addycted the wearneds on the seasonful representations of the nucles of Wastley on, Wyonling and Mosthe ninter of Wastling on Wyoming and Most tans, and repeated his arrangent, austo when the repeated his arrangent, austo when the resolution which he offered was under this cussion a lew days since, as to the importance of these stales being fully represented when a vote should be taken upon the repeat with There were two formal speeches on the repeat hill, one by Mr. Kyle, of South Dakota, against the bill, and the other by Mr. McMilan, ci Michigan, against tree outlage.

However Mr. Breckinridge, of Kontucky, Monlay introduced a bill to establish a new judicial.

Wondertwhen a by Dr. Milos Narvina.

lay introduced a bill to ratablish a new judicial finiries in the state of Kentucky, to be known listrict in the state of Kentucky, to be known as the vastern district. It is to be composed of the counties of italiatin, Oven, Frott, Wossiford, Mercer, Hotle, Caser, Russell and Clinton, together with all that part of Kentucky lying not and northeast of those counties. The rest of the state shall be known as the weatern district, and cour a shall be held in that district as now trovided by law for the district of Kentucky. The lift is rather voluminaous, but the remainder pertains in the details uscownery to carry out the provision of the lentures here given. Mr Brecklurdige also introduced a bill for the relief of Mary Ellen Akkinson.

Pittsbiron, Pa., Oct. 3.-The employer of the Oliver Iron and Steel Co. who recently returned to work at last year's Amalgamated association scale rates, have been notified of a wage reduction in all departments to conform with the new scale agreed upon last James Breecher week in the conference between maou-

facturers and the Amalgamated asso- Ruseil Childers ciation. The reduction amounts to 10 | Panny C mpunsu per cent in the puddling department, A l'ollen-wurth and on certain mills will amount to 20 G W Murry per cent. The workmen will accept the reduction. Archbishop Keurlek, James Arbums WASHINGTON, Oct. 8.—lo regard to Duniel Borders the ecclesiastical status of Archbishup H Webb Kenrick, of St. Louis, as to which co-

the following official statement has just been received by the United Press:

"The Catholic Universty: Mgr. Satolli has stated repeatedly that Most liev.

John M. Rice John M Archbishop Kearick has not been de-posed. The appointment of Most Rev. II C Sullivan Archbishop Kain as coadjulor has been made with the consent of Archbishop Kenrick himself, and in accordance with the rules of the third Pleoary council of Baltimore."

David Minute

David Minute Anarchists' Meeting tiroken l'p. London, Oct. 2.—Police stopped an June Hullon Out-door meeting of anarchists at Man-Allen Young out-door meeting of anarchists at Man-chester Sunday evening because the speaker refused to step using incen-dlary language. The chulruan and speakers were removed foreibly from the truck which served as a palice and a little with the control of the police and a little beautiful to the control of the police and a little beautiful to the control of the police and a little beautiful to the control of the police and a little beautiful to the control of the police and a little beautiful to the little beautiful to the police and a little beautiful to the littl The audience resisted the police and a U 1; Kise fight followed, four anarchists being Jan es Shunp arrested.

John F Stompt Burned to Death. MUNCIE, Ind., Sept. 29.—Mrs. Phiebe Randall, nged 45, was burned to death, her clithing catching fire from a blaze in the yard.

R.J. Prichard In the yard. The biggest fresh water fish, the "Arapacian" of the Anazon in South America, grows to six feet he length. B C Burgess C W Diamond EASTHAMPION (Mass.) people receive their telegrams with a promptness that makes the neighboring towns green with envy. The reason is that the "telegraph messenger boy" is a girl, and that have ball, marbiles and the light have been sometimes of the property of the prope blea and dog lights have no charms for her. She is a teneyear-old girl named Elsie daugh, and she works in order that her lig brother may go to school. She is also saving me her carmings to buy a bleycle, and her present ambit on, aside from the bleycle, is to besome a telegraph operator.

tises icono a cook's frying pau. -N. Y. Imprisoned in a Trunk. An employed the Western of Prance Rail wy company lately lilt upon a highly coughal plan for preventing his wife from gashling about in a way of tableh he disapproves. Before going to lib dolly duty, M. Lelmby, for suci is his name, has been in the hubit of locking his wife up in a large trunk.

By an ingenious contrivance the lid was made so that It could be raised a few lackes for the minissky of air. The most remarkable thing, perhaps In a remarkable case is the fact that the wife, who acknowledged that her lasband had the strongest grounds for being dissatisfied with her con het, seems to have been a conscitting party to her enforced seclusion. Neverthe less, the facts becoming known, procredings were listlinted by the polle authorities and the correctional trib

unity in a received of the policy of the reputs literaphy under a bot running fire from all the reputs literaphy under a Mr. W. M. Terry, who has been lo start and " There is great reason for shis. No other will rure a right so quick tive and care for eroup; racidlicr affords so muclerelief in castes of whooping sa, Ky.
